

## NARAP Research Associate Alumni

### Where Are They Now

*By Henry Siccardi, NARAP Alumni Association Coordinator*

#### Rose Coriolan

- **School Attended:** Montclair State University
- **NARAP Affiliate Hospital:** Hackensack University Medical Center, Hackensack, NJ
- **Research Associate Years:** 2015

#### **Where is Rose now?**

Rose is currently pursuing a Master of Business & Science Degree in Biomedical Sciences at Rowan University (Glassboro, NJ) and intends to apply to medical school upon completion of her MBS degree.

#### **What Rose says about the NARAP Research Associates Program**

The NARAP Research Associates Program was my first experience in a standard healthcare setting. Although I had never been in a hospital emergency department before, I liked the environment. Talking to patients helped to affirm my desire to pursue medicine.
